PUBLIC NOTICE

The city council of the city of Central, LA will hold a public hearing on Tuesday, May 12, 2015 at 6:00 pm at the Central School System Meeting Room, 10510 Joor Rd, Central, LA 70818 to discuss the following ordinances:

- 1) An ordinance to amend the 2014-2015 Fiscal Year Budget to appropriate funds for additional surveying work for the Beaver Bayou Floodplain Study. (By Council Member Ellis)
- 2) CBOA-09-15. An ordinance granting a waiver of design standards for nonresidential structures within the corridor overlay district for construction of a freestanding Fellowship Hall at Grace Church, 13845 Hooper Road, Central, LA. (By Council Member Fralick)

***Construction Board of Appeals Action (April 15, 2015):** Buddy Ragland moved to make recommendation to the City Council to allow the deviation from the design guidelines such that the front of the building conforms to the design requirement guidelines and a variance for a chain wall, concrete block, and metal panel sides be allowed on the remaining three sides. This variance is based on the fact that it allows for campus continuity for a design of the building. If variance is approved by Council, owner must have a Hold Harmless and Indemnity Agreement signed by the owner and recorded with the East Baton Rouge Parish Clerk of Court before permit can be issued. The motion was seconded by Pete Firmin. Vote: 6 yeas (Eller, Firmin, Ragland, Simoneaux, Stevens, and Wroten), 0 nays, 1 absent (Stein). Motion passed.*
